

## **PROJECT TERM**

**Prof. Reza Ghaeli**

### **Japanese Airlines Website**

#### **ANA**

Flying cross-country for a long weekend or embarking on a global adventure? ANA connects you to your dream trip by serving as your little oasis in the clouds. As a Star Alliance member, ANA has partnerships with more than 35 airlines, giving you access to 32 international destinations across Asia, Europe, and North America and approximately 50 destinations within Japan. Embark on this dream trip with ANA.

#### **JAL**

Discover the best destinations by simply entering your departure point and ideal date and explore all travel possibilities with JAL. The airline has major hubs in Tokyo, Osaka, Nagoya, and Okinawa, and serves almost 80 destinations across 20 countries and regions. Enjoy your flight with JAL staff providing you with the best service to make your trip unforgettable.

#### **JETSTAR**

Your flights more affordable than ever! Jetstar offers low-fare flights to enable more people to fly to more places, more often. Jetstar-branded carriers operate over 5,000 flights a week to more than 85 destinations across Australia, New Zealand, Asia, and the Pacific. Book your Jetstar flight now and fly over the clouds!

#### **PEACH AVIATION**

Flying from and to seven airports, Peach now serves approximately 40 routes with over 30 aircraft, including domestic, short, and medium-haul international flights over the skies of Asia. To provide easy air transportation with high safety standards and low fares, Peach strives to become an airline that you will enjoy and love.

#### **ZIPAIR**

ZIPAIR shortens the sense of time by delivering a satisfying service for the customers and comfort enjoyed in a personal way. The airline provides punctuality to get customers to their destinations reliably through high-quality operations. ZIPAIR employees have the mission and sense of responsibility as safety professionals, always delivering a safe and comfortable transportation experience by meeting safety standards.
